How it works

Bring your items in anytime — we accept drop-offs all day. You'll receive 25% cash or 35% store credit for what we take.

We're looking for freshly washed, gently used children's clothing (Preemie–Youth 14), shoes (Baby–Youth 7), and gear made within the last five years. Items must be free of stains, odors, damage, excessive wear, and recalls, and reflect current trends.

Popular brands like Patagonia, Hanna Andersson, Nike, Gap, and Crewcuts are always in demand.

Please limit drop-offs to one bin or two grocery-sized bags in a hard-sided bin or laundry basket (no hangers or trash bags).

Large items? Call or email first to confirm space.

We do not accept car seats, breast pumps, feeding items, or recalled products.

Visit our website for more detailed guidelines www.calicotradingcompany.com
